Wheathampstead Farmers Market

17th June 2007

The first of the Wheathampstead Farmer's Markets was held in East Lane car park with craft stalls in the Mead Hall. The weather was sunny and the event an outstanding success. A good selection of fresh and prepared produce.

Sorry photos did not show close up of many of the stalls as there were too many people to get near many.

Village Day 2007

In the Mead Hall
