CRICKET CLUB CALENDAR

In an endeavour to raise morale in the club and also to raise the profile of the club following the devastating fire at the start of the season, a **2008 Calendar** has been produced using pictures taken by Phil Ross, some of which were published by the Herts Advertiser in conjunction with match reports. A limited number of these calendars have been produced. Copies can be obtained from phil.ross@btinternet.com for **£7:50p** to include p&p. It is a **full colour A4 wire-bound calendar** with a different member of the team on each page, with a group photograph on the front cover.
